

This lake, as the others in Hamilton County Park District, has seasonal operation schedule. Please contact the boathouse at (513) 931-1849 for specifics. This 188-acre flood-control lake underwent an extensive restoration project from 1995 to 1997 when 930,000 cubic yards of silt were removed from the lake. Fishing is by rental boat only, both electric and gasoline motors up to 6 HP are permitted on Winton Lake. Anglers may fish from the bank free of charge at Old Mill Valley and at designated areas at Winton Harbor. Licensed private canoes and kayaks are permitted; call the boathouse for details.
